The Deputy Commissioner's Office, Hassan,
Dated, Hassan, the 4th May 1892.

From,

The Deputy Commissioner
Hassan District.

To

The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

Referring to Government Proceedings No 1847-57/ in 244 Dated 25th January 1891, regarding the grant of portions of Gomal lands in the Malnad Talukas, for Coffee or other cultivation, I have the honor to submit herewith a statement in the prescribed form showing the particulars of an application for the same for coffee cultiva-
tion

-tion made by Mr. Brooke Bracket, of the Cafferr Estate, in the village of Thumbudevanahalli, Arkalli Hobli, of the Belur Taluk.

2 — The land in question was applied for by the said Mr. Brooke Bracket and the villagers objected to the grant on the ground that the remaining extent of Gomal land was not sufficient to answer their legitimate requirements. I, then, was in the Taluk for Jamabandi I inspected the land in question on the 3rd December 1891 and found that not a blade of grass could grow there and the objection of the Ryots was frivolous and groundless and therefore not worth keeping it for pasturage. I found further that it was a thick jungle and fit

for

for Coffee cultivation and therefore ordered that it may be granted to Mr. Mackett by sale demarcating the strip of land covered by a road with sufficient land around it.

3.— The land in question was shaded and measured by the District Surveyor which came to 7—34 exclusive of the road alluded to.

4.— The land thus granted was sold in public auction, and a sum of Rs. 73—1—" was realized in the sale, the highest bid being that given Saabannah for Mr. Mackett at Rs. 22—2—" per acre.

5.— I beg to add that the land in question has been made over to the purchaser Mr. Mackett subject

subject to confirmation by Govern-
ment.

6 — The land in question is —
adjacent to the Bathalan Estate
which is in the occupancy of
Mr. Hockett. —

[illegible] to the Secretary of Mysore

Sir

[illegible] I [illegible] purchased Government Kushin land [illegible] formerly part of Survey No 331 of the Tomdawankully Forest, [illegible] Kolar Taluq [illegible] which land, consists of [illegible] Jungle, has been classed as Jomal, based it in every way suitable for Coffee I bought it subject with the condition of becoming my Hollalu Estate which it divides into two pieces. The purchase has been confirmed by the Deputy Commissioner of Kolar, but it is subject to the approval of Government, as a rule exists that the sale of all Jomal lands for Coffee cultivation must be confirmed by the Durbar.

As the issue of a Title Deed for my Hollalu Estate of which this Survey No 331 of Tomdawankully forms part, is being delayed for the confirmation of the sale of this land to me, I venture to beg that you will be so good as to submit the matter to Government as early as possible. In support of my case I would urge

1 That the land in question is of small extent, and is totally unsuitable for the grazing of cattle, as it consists of dense jungle in which there is not a blade of grass.

2 That it is perfectly adapted for the growth of Coffee.

3 That [illegible] Island for Corral, the surrounding
cottages have ample grazing land without this small piece.

4 That its possession is necessary to me in order to complete
my Ellollalu Estate which is [illegible] it, and which
will be broken up into divisions unless this land be
added.
